Trafford Publishing, Canada, 2010. Paperback. Condition: New. Language: English. Brand new Book. For those planning on or already doing business in the Czech Republic, or just wanting to extend their knowledge about the legal framework for conducting business in one of the central European states "An Overview to Czech Commercial Law" in English will prove worthwhile. Commencing with a concise background of the history and basis of the Czech commercial law, the authors move on to cover the legal regime of the principal business players, commercial companies. Thereafter, the commercial obligations and their main instruments, commercial contracts, are reviewed. A succinct analysis of the competition law represents a logical culmination of the publication. Each of the contributing authors has both an extensive academic background and a wide experience in the practice of law which contributes to a well balanced blend of a theoretical and practical approach demonstrated across this invaluable publication.
